ON YOUR OWN / EXTRA CREDIT

- ◇ On a nice day, take a 10-minute walk outdoors and take one photo every minute for a total of 10 photos. When you get back to your studio, use your favorite as reference for a small drawing or painting.
- ◇ Draw a houseplant or tree from observation using your non-dominant hand. Take your time, and breathe!
- ◇ Spend an hour or so testing your markers or other supplies; then toss, use up or give away anything that is not working for you anymore.
