

# a cubist animal

## FOLLOW THE Instructions:

1. Pick an animal to draw, like a porcupine or a giraffe.
2. Now draw an EYE anywhere below.
3. Turn your paper 45 degrees clockwise and draw another bigger eye.
4. " " " " " and draw a nose.
5. " " " " " and draw a leg.
6. ...and draw an ear
7. ...and draw a tail.
7. Now turn your paper in all directions and find the orientation that you like best. Add lines to "finish" your chosen animal.

They will  
be strange.

Examples:

8. Now, redraw your animal two times using the above drawing as inspiration.
