

a cubist face

FOLLOW THESE INSTRUCTIONS:

1. Draw an eye, anywhere in the space below.
2. Turn your paper 45 degrees clockwise & draw another bigger eye.
3. " " " " " " & draw a nose.
4. ... and draw a mouth. 5. ... and draw an ear ... and some hair.
6. Now turn your paper in all directions and find the orientation that you like best. Add whatever lines needed to "finish" your face.

It might
be a strange
face!

Example:

7. Now, re-draw your face two times in your own style, using the strange face above as inspiration.
