# Two Mini Zines

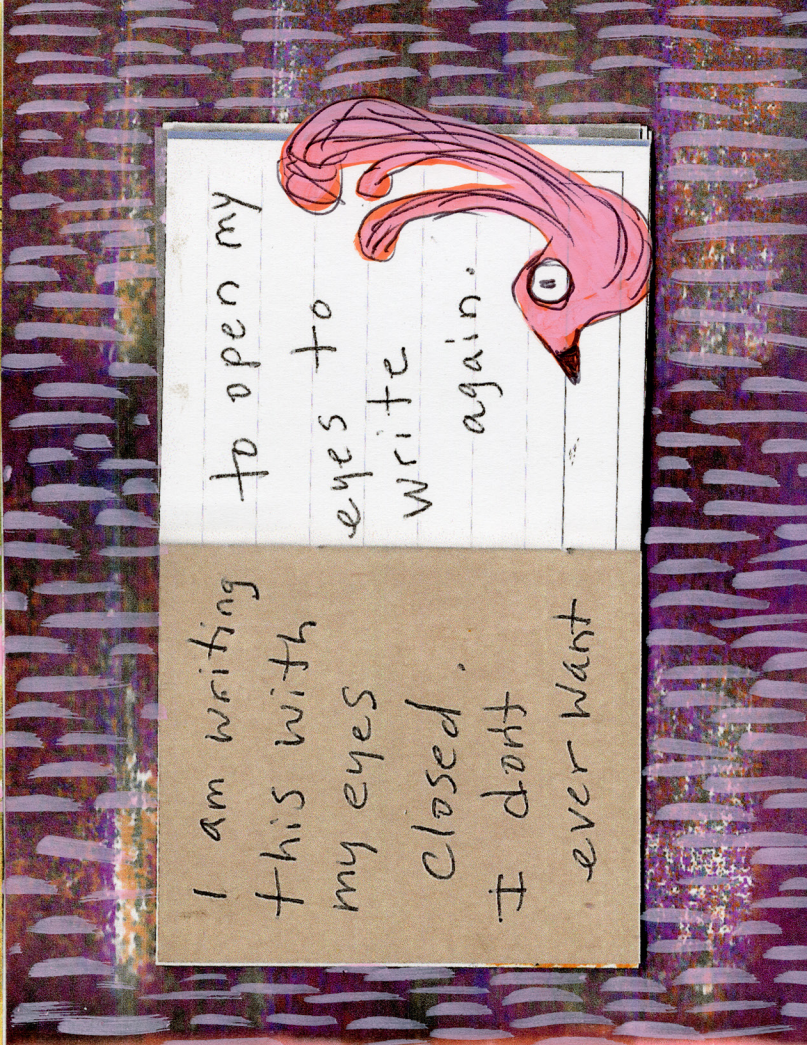

Hi Everyone!  
In this  
PDF, the  
next two  
pages are  
two mini  
Zines for  
you to print  
out, and the  
last two pages  
are instructions  
on how to  
fold them.

Love, Carla

I am writing  
this with  
my eyes  
closed.  
I don't  
ever want

to open my  
eyes to  
write  
again.

# Mini Zine Instructions

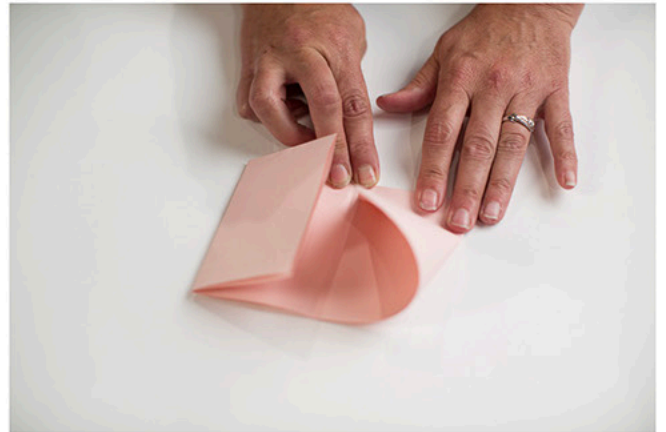

a. Fold the paper in half length-wise.

b. Next, fold in half like this.

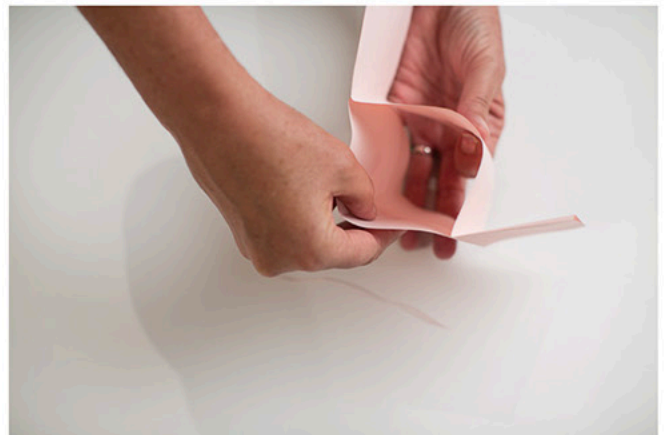

c. Open flat.

d. Then, fold the two sides in to the fold.

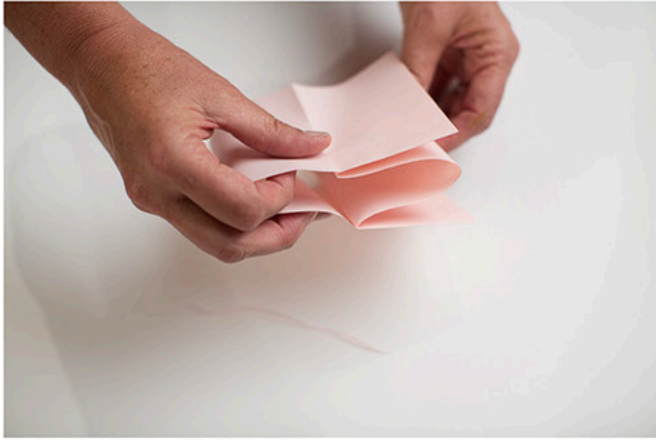

e. Open the flaps and cut off the top fold of the middle two "pages."

f. Pull open cut area to form a "diamond."

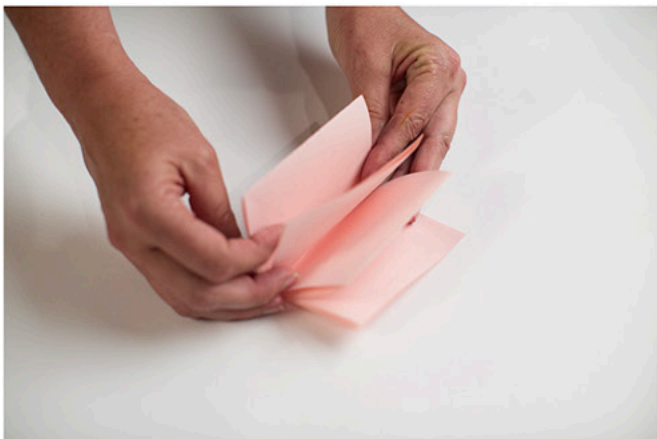

g. Flatten on the table like this.

h. Fold cover panel over to create a book.

i. You will need to make another crease along the outer edge.

j. And you're done!
