

An Eyes-Closed Worksheet (p.1)

Assignment

Lately I've been writing and
drawing with my eyes closed.

Sometimes my spacing gets
off, but I like the results
better than my usual handwriting.

Close your eyes and
write something below:

What did you think
of your results?

(p. 2)

Here. Close your eyes
and try again:

Now let's
draw something —
eyes closed.

Here is
an elephant!

p. 3.

Draw your eyes-closed
elephant in the space below!

or try
an eyes-
closed
bird!

p. 4 Heck, close your eyes and
draw 5 birds in the space
below:

(Yay!)

(p5) French moralist and essayist

JOSEPH JOUBERT
(1754 - 1824)

Said :

" Close your eyes
and you will see. "

I hope you
saw something
today !!
