

Instructions for a TIMELINE JOURNAL!

Make a timeline of something...
your life from birth to date, a week
on vacation, a year of artmaking....

Timeline Journal

- ① Tear or cut two pieces of watercolor paper down to 7.5" x 22"

- ② With decorative or masking tape, cover one end of each paper:

- ③ Punch five evenly spaced holes about 1/4" from the edges of the paper:

Using the first as a template, punch five holes in the second piece of paper. Then cut 10 pieces of yarn or string about 8" long and tie one to a hole with a square knot:

②

- ④ Place 2 sheets together and tie together (five Square Knots). Trim.

- ⑤ Your journal will look like this:

Now fold each edge in to about 1" from center:

Then fold center to create your book:

- ⑥ Now open your journal, divide your space up, and start drawing, painting, gluing + labeling!
